Decision  Recommendation  Information

Item 7.1

### Purpose

- 1 To set local budgets for 2018-2028 and propose rates for the year commencing 1 July 2018.

### Executive Summary

- 2 This report provides an overview of the local activities and services for Winton Wallacetown Ward for 2018-2028 which are provided under the governance of the Winton Wallacetown Ward committee. The report details the estimated costs of these activities over the 10 years as well as the draft rates.
- 3 The draft budgets will be incorporated into the Council's draft Long Term Plan (LTP) 2018-2028 which will be released for consultation in March 2018. Once the plan is finalised (and subject to any changes resulting from submissions), the budgets shown for 2018/2019 will be used to set rates for the year beginning 1 July 2018 (referred to as LTP year 1).
- 4 The information in this report and its attachments, has been sourced from previous discussions between the officers and the committee along with Activity Management Plans (AMPs) that officers have prepared. The AMPs contain more detail about the activities and expenditure requirements.

## Recommendation

That the Winton Wallacetown Ward Committee:

- a) **Receives the report titled “Local Budgets for the Long Term Plan 2018-28” dated 13 October 2017.**
- b) Determines that this matter or decision be recognised as not significant in terms of Section 76 of the Local Government Act 2002.
- c) Determines that it has complied with the decision-making provisions of the Local Government Act 2002 to the extent necessary in relation to this decision; and in accordance with Section 79 of the Act determines that it does not require further information, further assessment of options or further analysis of costs and benefits or advantages and disadvantages prior to making a decision on this matter.
- d) Recommends to Council that the following rates and charges (including GST) for the year commencing 1 July 2018 be included in the 2018-2028 Long Term Plan.

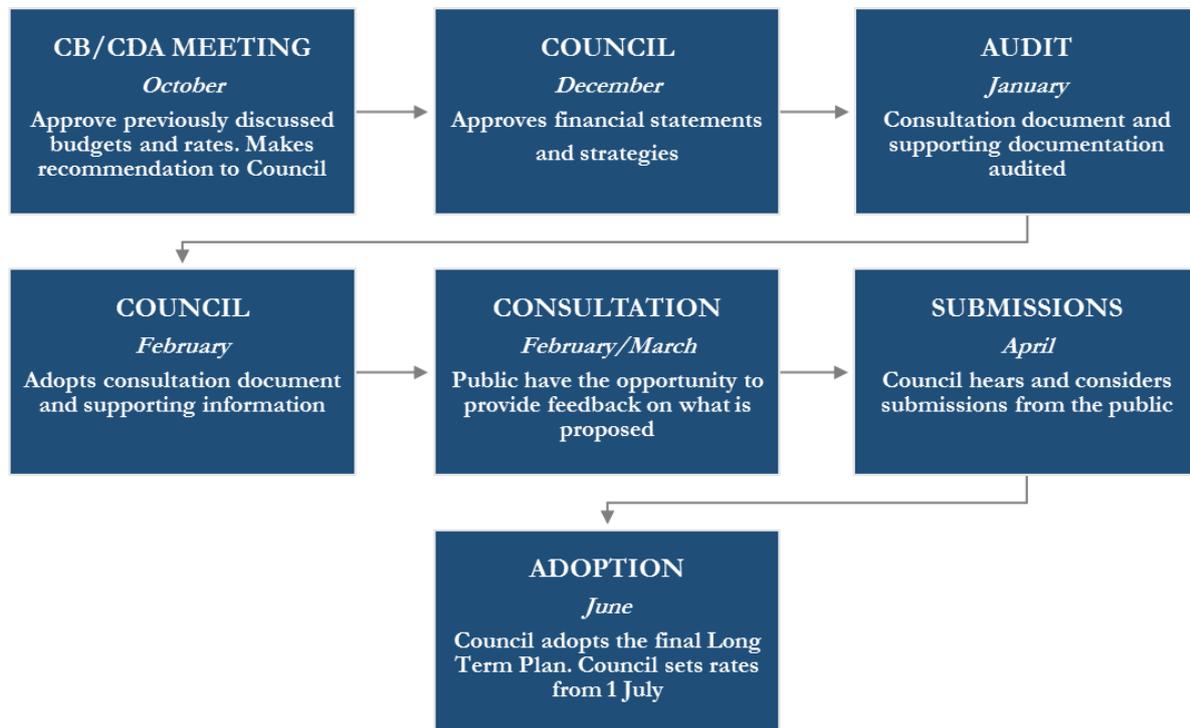

<u>Rate</u>	<u>Rate GST inclusive</u>
Winton Wallacetown Ward Rate	\$90,963

- e) Identifies any issues/priority projects for the local area that need to be included in the 2018-2028 Long Term Plan consultation process to encourage feedback from the local community (to be discussed at the meeting, and advised if any).

## Background

- 5 The LTP is adopted every three years and provides the community with information on the role, scope, service level and priority of Council activities for 10 years.
- 6 In preparing the LTP budgets and programmes, Council reviews its strategic direction, various policies and AMPs. The Council also develops a series of assumptions about the environment that it expects to operate in during the 10 year period. Council summarises this information in a document for consultation with the community.
- 7 The LTP Consultation Document is released to the public in March 2018 and the community has an opportunity to provide feedback on the proposed plan. Council will decide on any changes to the draft plan before it is adopted in June 2018.
- 8 Year 2 and 3 of the LTP are used as the basis for the Annual Plan’s for those years.

## Overview of the Process

## ISSUES

### Local Budget Development

- 9 The draft budgets for the Winton Wallacetown Ward for 2018-2028 have been prepared. Figures for these budgets have flowed out of the review of AMPs as well as discussions between officers and the committee over the past few months.
- 10 The objective of this budget report is to highlight issues, confirm priorities and plan expenditure and funding for the next 10 years for consideration as part of the Council's LTP.
- 11 If approved by Council via the LTP, the committee will be able to spend the Council funds allocated in accordance with the budgeted expenditure. This occurs via Council officers approving purchase orders. If the committee wishes to spend funds that are unbudgeted, including monies from reserves, the committee have a delegation to approve up to \$10,000 otherwise the decision will need Council approval.
- 12 In preparation for the 2018-2028 LTP, Council officers are reviewing and updating Council's various AMPs. Copies of the full draft AMPs can be obtained by contacting the relevant Council officer who manages the asset portfolio. Summaries of Council's AMPs will also be available online throughout the duration of the LTP consultation period.

### Local Community Issues

- 13 The reason for the decrease is that the contribution to the towns has decreased due to decrease in their budgets.
- 14 As per prior years \$5,000 is being drawn down from reserves to offset rates. Councillors may wish to consider if this is still appropriate.
- 15 Attachment A is organised into four main sections as follows:

**(A) Overview**

This section includes details of the proposed rates for the Winton Wallacetown Ward (compared to the previous year). The section also includes an overview of reserves and loans.

**(B) Rate Type Financial Information and Activity Summary**

This section is organised by rate type and is broken into four subparts:

- i. This part contains a graph showing income and expenditure projected over the 10 years.
- ii. This part contains a summary of the financial budgets. It shows the expenditure and income projected over the 10 years, the amount of rates required and the rate calculation summary.
- iii. This part shows the business unit costs making up income and expenditure for the rate type. This financial information reconciles with the rate type financial summary mentioned above (ii).

**(C) Appendices**

The appendices contains detailed reports in support of information in the body of the report as follows:

- (i) Reserves Report - this shows the balance of every reserve the ward has for each of the 10 years.

Factors to Consider

Legal and Statutory Requirements

- 16 The draft budgets (including details of projects) will form part of the activity statements and financials in the Council's LTP 2018-2028. The LTP (and associated Consultation Document) is a requirement of the Local Government Act 2002.
- 17 There is a statutory requirement to adopt an LTP before rates can be set in accordance with the provisions of the Local Government (Rating) Act 2002.

Community Views

- 18 Any significant issues affecting local communities may be included in the official consultation document which will be publicly available from early March to mid April 2018. The consultation document will be posted out to each household throughout the District.
- 19 The broader local budgets for all the communities and wards will be summarised in the financial projections which will be available as background information to the public consultation.
- 20 ***The committee are also asked to advise officers of any local issues/projects that they would like to be highlighted in the consultation material where they are wanting to encourage feedback from the ward or let the ward community know of any significant projects.***
- 21 Any submissions received from the public on local issues will be forwarded to the relevant community partnership leader (and committee if required) for comment. As a result of the submission process, amendments may be made prior to Council formally adopting the finalised LTP by 30 June 2018.

#### Costs and Funding

- 22 The financial considerations are set out in Attachment A of this report. Key financial aspects to be aware of include:

#### **Assumptions**

- 23 In preparing the 10 year forecasts, the Council has used a number of assumptions as follows:
- Estimates are built from the levels of service desired by the community.
  - Estimates have been included for expected costs in relation to the Water and Land Plan.
  - Interest has not yet been included in the projected reserve balances for the 10 years of the plan. Once the budgets have been finalised, interest will be calculated and transferred directly to the relevant reserves (later in 2017).
  - The estimates include an allowance for price level changes (inflation) which is a financial reporting requirement. For the plan inflation has been assumed at between 2-2.8% per annum.
  - Interest on borrowings has been charged at 4.65% per annum.
  - No allowance has been made in the estimates for any possible increases in contract rates for contracts being re-tendered.
  - Reserves used to fund project/capital work where possible rather than internal loans.
  - Where loan funding is required for key community projects, it is assumed that these loans will be obtained internally in the first instance.

#### Policy Implications

- 24 The report is a summary of plans prepared in respect to all of the services the committee intend to provide in the Winton Wallacetown Ward during the 10 year period from 1 July 2018 to 30 June 2028. The information including the estimates will be incorporated in the draft 2018 LTP Consultation Document and final LTP 2018-2028.

#### Analysis

##### Options Considered

- 25 The community partnership leader has discussed with the subcommittee the projects to be included in the LTP and the remaining budgets have been reviewed and updated by the community engineer.

## Analysis of Options

Option 1 – Accept the estimates as proposed in this report

<i>Advantages</i>	<i>Disadvantages</i>
<ul style="list-style-type: none"> <li>• Enables the LTP to be compiled and audited with the set timeframe</li> <li>• Rates recommendation to Council is finalised.</li> <li>• Budgets and project estimates can be updated or reviewed annually as part of the Annual Plan budgeting process (or approved via unbudgeted expenditure process).</li> </ul>	<ul style="list-style-type: none"> <li>• None identified</li> </ul>

Option 2 – Amend the estimates proposed in the report

<i>Advantages</i>	<i>Disadvantages</i>
<ul style="list-style-type: none"> <li>• Changes can be made to the LTP budgets.</li> </ul>	<ul style="list-style-type: none"> <li>• Rates requirement may need to be recalculated.</li> <li>• May impact the delivery of the LTP within the set timeframe.</li> </ul>

## Assessment of Significance

- 26 The decision to be made by the committee is not likely to be a significant decision on its own under the Council’s Significance and Engagement Policy. However, the LTP (into which the committee’s budgets are incorporated) is considered significant and will be consulted on in March/April 2018.

## Recommended Option

- 27 Option 1 Accept the estimated reports as proposed in this report.

## Next Steps

- 28 The draft 10 year budgets and rating information for 2018-28 for the Winton Wallacetown Ward will be included in the draft LTP financial information for confirmation by Council in February 2018 and consultation through March-April 2018.
