## **Freedom Camping in the Catlins**

**Record No:** R/20/7/25457  
**Author:** Michael Sarfaiti, Environmental Health Manager  
**Approved by:** Fran Mikulicic, Group Manager Environmental Services

Decision                       Recommendation                       Information

---

### **Purpose**

- 1 The purpose of the report is for the Committee to consider the recommendations resolved at the meeting of the Waihopai Toetoe Community Board on 30 June 2020, being:
  - d) Recommend to the Regulatory and Consents Committee to endorse the removal of the presence of the Weirs Beach designated site from apps and Council's website.
  - e) Recommend to the Regulatory and Consents Committee to seek to change the self-contained designated site in Waikawa from the existing site, to the new sealed area beside the toilets.

### **Executive Summary**

- 2 The Weirs Beach freedom camping site has been over-crowded, and there are not enough toilets there. To reduce pressure at this site, it is proposed to request camping app providers to remove the site from their maps.
- 3 The Waikawa freedom camping site has wet weather problems. Council's community facilities team chose to fund the sealing and fencing of the area next to the toilets at Waikawa. It is proposed to shift the designated freedom camping to this new sealed area.

## **Recommendation**

### **That the Regulatory and Consents Committee:**

- a) **Receives the report titled “Freedom Camping in the Catlins” dated 29 July 2020.**
- b) **Determines that this matter or decision be recognised as not significant in terms of Section 76 of the Local Government Act 2002.**
- c) **Determines that it has complied with the decision-making provisions of the Local Government Act 2002 to the extent necessary in relation to this decision; and in accordance with Section 79 of the act determines that it does not require further information, further assessment of options or further analysis of costs and benefits or advantages and disadvantages prior to making a decision on this matter.**
- d) **Recommends to Council to authorise staff to request freedom camping app providers to remove the presence of the Weirs Beach designated site from their apps, and also from Council’s website.**
- e) **Recommends to Council to amend the Freedom Camping Bylaw 2015, so that the self-contained designated site in Waikawa is moved from the existing site to the new sealed area beside the toilets.**
- f) **Authorises staff to consult with the direct neighbours of the Waikawa camping area, concerning recommendation (e) above.**

## **Background**

- 4 Council reviewed freedom camping in 2015 resulting in the Freedom Camping Bylaw 2015.
- 5 The bylaw generally permits freedom camping on Council controlled land, but has local rules. These are illustrated by way of maps in the schedule to that bylaw – see Attachment A.
- 6 The local rules from those maps are in summary:
  - a) No camping permitted in Curio Bay (other than the camping ground) and Tokanui
  - b) Self-contained camping permitted in Edendale and Wyndham townships, and at designated sites at Waikawa and Fortrose (seasonal only at Fortrose, for whitebaiters)
  - c) Non-self-contained camping permitted in designated sites at Fortrose and Weirs Beach (“Haldane” map)

Also, DOC has two sites in the area that are permitted for non-self-contained camping, though they are not actively promoted. These are at Waipohatu and Waipapa.

## **Issues**

### **Covid**

- 7 It is expected that freedom camping numbers will be affected in the short term due to reduced tourism. However the recommendations in this report are still applicable, in terms of improving the management of freedom camping in the area moving forwards.

**Weirs Beach**

- 8 This location has a designated site for all types of freedom camping. Council retained freedom camping at this site in the 2015 review, being a popular spot for locals. Since then the site has increased in popularity to the extent that it is over-crowded, and more toilets are needed. There are usually between 30 and 50 vehicles there every day.
- 9 Options to address this issue are discussed below.

**Waikawa**

- 10 This location has a designated site for self-contained camping. Council received funding from the Tourism Infrastructure Fund (TIF) to upgrade the toilet disposal field. As part of the project, Council's community facilities team chose to fund the sealing and fencing of the area next to the disposal area, with the intention of this new area to be used for freedom camping.
- 11 The new sealed area is larger than the existing, and is shown in Attachment B.
- 12 The existing designated camping area is a problem, including for the reason that locals are having to pull campers out in wet weather (no reception to phone tow truck), and flooding problems. Also, the new sealed area is desirable as it is closer to the toilets (self-contained campers do use them).
- 13 Options to address this issue are discussed below.

**Factors to Consider**

**Legal and Statutory Requirements**

- 14 Legal advice has been obtained concerning the recommended options of this report.

**Weirs Beach**

- 15 The proposed measure to manage overcrowding by requesting the removal of the site from apps does not require a full consultation process, and is lawful.
- 16 This action is not actually exercising any statutory power, and the act does not address the way that the sites are administered or managed by Council staff in these circumstances. This proposed action is to help manage the effects of the overcrowding being experienced at present.
- 17 This also does not require approval with a Council resolution, unless management requests it.

**Waikawa**

- 18 The Waikawa camping area can be amended, by transferring the designated site from one to the other, by a publicly notified resolution, as a minor amendment as per section 11(6) of the Freedom Camping Act 2011.
- 19 Direct neighbours of the Waikawa camping area ought to be consulted and their feedback provided being made available to Council when making its decision.
- 20 Council might consider planting flaxes along the Larne Street road boundary of the site to seek to mitigate the effects of this shift on nearby properties; should concerns be raised.

**Community Views**

- 21 Concerning the recommendations in this report, the direct neighbours of the Waikawa camping area will be consulted and their feedback being made available to Council when making its decision.

**Costs and Funding**

- 22 Staff time to progress these matters is funded by existing budgets, and the Board has agreed to contribute to signage.

**Policy Implications**

- 23 There are no policy implications.

**Analysis**

**Options Considered**

- 24 The following are the options for addressing the issues in this report.

**Analysis of Options**

**Option 1 – Recommends to Council to authorise staff to request freedom camping app providers to remove the presence of the Weirs Beach designated site from their apps, and also from Council’s website**

<i>Advantages</i>	<i>Disadvantages</i>
<ul style="list-style-type: none"><li>• In line with the recommendations from the Waihopai Toetoe Community Board</li><li>• may reduce the overcrowding at this site</li><li>• any problems arising from this, could be reversed by adding the site back on to the apps</li></ul>	<ul style="list-style-type: none"><li>• increasing numbers of campers at other locations may become a problem; for example DOC may elect to close their two sites, or Fortrose could become overcrowded</li></ul>

**Option 2 – Recommends to Council to amend the Freedom Camping Bylaw 2015, so that the self-contained designated site in Waikawa is moved from the existing site to the new sealed area beside the toilets.**

<i>Advantages</i>	<i>Disadvantages</i>
<ul style="list-style-type: none"><li>• In line with the recommendations from the Waihopai Toetoe Community Board</li><li>• utilises a suitable area that has been recently developed</li><li>• eliminates the problem of vehicles getting stuck in the existing are in wet weather</li></ul>	<ul style="list-style-type: none"><li>• none, assuming locals do not object</li></ul>

**Option 3 – Recommend to the Regulatory and Consents Committee to remove Weirs Beach and Waikawa as being permitted for freedom camping; or changing their rules (eg Weir’s Beach changing to self-contained only)**

<i>Advantages</i>	<i>Disadvantages</i>
<ul style="list-style-type: none"><li>• eliminates or reduces freedom camping problems in these two locations</li><li>• cost savings in maintaining these sites</li></ul>	<ul style="list-style-type: none"><li>• contrary to the recommendations from the Waihopai Toetoe Community Board</li><li>• would require a full consultation process</li><li>• Council unlikely to authorise a review of the bylaw at this time</li></ul>

**Option 4 – Recommend to the Regulatory and Consents Committee that more toilets should be provided at Weirs Beach**

<i>Advantages</i>	<i>Disadvantages</i>
<ul style="list-style-type: none"><li>• resolves the sanitary concerns</li><li>• would make the site suitable</li></ul>	<ul style="list-style-type: none"><li>• contrary to the recommendations from the Waihopai Toetoe Community Board</li><li>• may not reflect the vision that Council has for that site, as holiday spot for locals, not the tourist market</li></ul>

**Option 5 – Do nothing**

<i>Advantages</i>	<i>Disadvantages</i>
<ul style="list-style-type: none"><li>• avoids unintended consequences that may arise from Option 2</li></ul>	<ul style="list-style-type: none"><li>• contrary to the recommendations from the Waihopai Toetoe Community Board</li><li>• does not resolve the issues raised in this report</li></ul>

**Assessment of Significance**

25 Not significant.

**Recommended Option**

26 Options 1 and 2.

**Next Steps**

27 Staff will carry out the local consultation, and then present a report to Council.
