He advised that whilst the agenda indicated that the chief executive's performance review is to be circulated, that it would be wise to agree to the confirmation of the item chief executive performance review being considered at the meeting.

The reason why the item/paper were not on the agenda was because the information to be considered by the Committee was still being collated at the time the agenda was circulated.

The reason why the discussion of the item/paper cannot be delayed until a subsequent meeting is that there needs to be a timely resolution to the matter before the Council meeting to approve the outcomes of the report.
